Sir,

I beg to submit herewith in original letter No. 264 of the 21st November 1901 received from Mr. Shahamdeen Macca, Offg. Assistant Superintendent of Police of the French Rocks Sub Division (Nilgiris) the Deputy Commissioner of the Mysore District

with his memo of the 5th December 1901). It will be seen from it and from the endorsements thereon of the Sub Division Officer and the Deputy Commissioner that, owing to Government work on one occasion and sickness on the other he was not able to appear for the Criminal Examination in both the last 2 years. We hope that, as the causes for not passing the Examination were beyond his control, his confirmation and promotion may not be withheld. Both the Sub Division Officer and the Deputy Commissioner certify to the facts set forth by him and strongly recommend his case for favorable consideration. As he is a graduate in Arts and has passed the F. A Examination (which includes a test in the subjects prescribed for the Lower Criminal Examination), and failed in the final B.A. degree in only one subject and means to go up again for it, it is, I submit, hard not to confirm him or

promote him simply by reason of his not having passed the Criminal Examination which is not much for one of his Educational qualification.

I have the honor to be,

Sir,

Your most obedient servant

Office of the Asstt Superintendent of Police

From,

Mohamed Zahiruddin Mascar
Asstt Superintendent of Police
French Rocks Sub Div

To,

B L Venkatavarada Iyengar Esquire
Inspector General of Police, in Mysore
Bangalore.

Through the Sub Division Officer, French Rocks

Sir,

With reference to Government Proceedings No $\frac{14623-24}{J\ 1483}$, dated 2d May 1901, directing that I should be called upon to qualify myself at the Local Service Examination which was held on the 5th instant, I beg to report that I was prevented from attending the Examination, owing to an attack of fever, the circumstances relating thereto being, as follows:—

On the 22d Ultimo I was at Seringapatam in connection with a case

of Horse-Breaking, and left, and as I ha
been advised by the Sub Division Officer t
go on leave, after the close of the D[illegible]ara, I
intended, accordingly to, do so from the
23rd ultimo. But a Sensational report of
a case of Dacoity having been made
from Krishnarajapete in which it was said
that no less than one hundred persons had
attacked the complainants' house, and that
one of the murderers having been dangerously
wounded was on her death-bed, I received
an order from the Sub Division Officer, copies
a wire, recalling me from leave and directing
that I should proceed forthwith to the Scene of
occurrence. In obedience to the order so
received, I went to the place which is about
11 miles from Krishnarajapete. I had not
gone half way from the latter, when I was
caught in a heavy and stormy rain, and
having had to go in the dark across a

rugged country, I got quite drenched. But
even after reaching the place, I could find
no shelter, and I had to sleep in the part
the whole night exposed to the rain and pond!
the cold which I thus contracted continued to
work in me and developed into fever soon
after my return to Frenchrocks.

3. On the 1st and 2nd instant I had to
go to Mysore, on official business, and
each day I had to return to French Rocks
by the night train. On the night of the
3rd instant I got fever and consulted
the doctor on the 4th, and took some medicine.
Feeling better after taking the medicine, I started
to catch the mail train in the afternoon
of the 4th the Examination in the Criminal
Test coming on, on the 5th instant. I had
not gone far when fever came on, I vomited
on the road side, and had to return
home in a gig!

Being, however, anxious to attend
the

the Examination I again doubled the dose and secured his permission to catch the early morning train, on the 5th instant, — the day of the Examination, making special arrangements to comply with all the conditions prescribed by him. But unfortunately for me, I had high fever again at 4 A.M. and so absence of mind was one of the conditions on which I had been permitted to go to Mysore, I had to give up all idea of attending the Examination this year! My man who had gone in advance to Mysore with the kit, returned only the 3rd day after receiving intimation of my illness.

5th. As you are aware, though I had sent up for the Examination last year, the Sensational Bhattia's murder case was before the Sessions just at the time of the Examination, and having had to attend the Sessions Court, as per

instructions of the District Magistrate, who considered my presence indispensable (vide his telegram dated 15th Oct: 1911), to instruct the Public Prosecutor, I could not attend the Examination though I had appeared and was prepared for it.

6. I beg very respectfully to submit that having passed the F.L Examination, and having studied for the B.L, I was under the impression that I would not be required to pass the Criminal Test, till, about the middle of August last year, I received a letter from the Secretariat enquiring if I intended to appear for the Criminal Test, on receipt of which I promptly sent up my application. Had I known this earlier, I would have long ago passed the Test under reference which consists of only 3 subjects.

7. I beg to state that it is now 4 years since the Government was pleased to

Vacate

appointment Probationary Assistant Superintendent, and I have been acting as Assistant Superintendent for the last 3 years, and have always tried and given Satisfaction to the various Officers under whom I have had the pleasure to serve, and they have from time to time in appreciation of my humble services, kindly recommended me for promotion. The Government was pleased to invest me with Magisterial powers while I was Ward Officer at Bangalore and Mysore. I mean further to appear, and pass the other portion of the B.L Examination next year. As I, cannot know that it was necessary for me to pass the Criminal Test, only last year, and on both occasions, Since then the I appeared for the Examination, I was prevented from attending it from

circumstances which were beyond my
Control, and which, arose out of my
obedience to a call to duty, I beg very
respectfully to solicit that if the Government
should not, under the above, circumstances,
please to exempt me from passing the
Criminal Test, they may at least be
pleased to, confirm me in my appointment
ment and give me my promotion, Subject
to my passing the Criminal Test next year

I have the honor to be
Sir,
Your most obedient Servant-

Offg: Asstt Superintendent
of Police, French Rocks Station

Forwarded with the S. D.
Officers marginal remarks.
I think this is a hard case.

It was not M. Maclain fau...
that he has not been able to
appear for the final Service
Exam. (Criminal). He
has passed the I. F. and
is studying for the B. A.
he possesses qualifications
superior to those
required for the I. S. Exam
he has only to appear for it
& secure a pass. As
explained by him above
& an urgent nature, last
year and his ill-health
this year prevented him from
appearing for the Exam.
He has been discharging

duties in this important
line with commendable
zeal and energy. He is
now getting Rs: 200 + 50.
There are now two vacancies
of undersland on Rs. 300/-
He aspires to one of them
which would give him 50/-
Rs. more. I have much
pleasure in commending
this young & promising
Officer's case to the kind
consideration of the
Govt. Govt. in the hope
that he will please submit
it to Govt with his

Strong support.
